<b>Position Type:</b> Full-Time Remote	<b>Direct Supervisor:</b> Chief Operating Officer	<b>Department:</b> Operations  <b>Location:</b> Remote/Office Hybrid

## **About Us**

EKHO Infrastructure Solutions (EIS) is the corporate entity established to oversee a collective group of companies that provide vertically integrated engineered solutions to the Canadian and the U.S. construction marketplace. Boasting 40+ products manufactured across seven North American facilities, EKHO is a leading North American supplier of Noise Barriers. Our extensive experience and diversification into new market sectors and product categories is how we maintain our position and reputation as a premier employer. As our operations grow, we find even more ways to contribute to the critical infrastructure that completes our communities.

## **Position Summary**

We are seeking a self-motivated, profit driven, and customer service-based leader to join our team as a **Director of Project Management**. This position is based out of our head office in Hamilton, ON.

### **PRINCIPAL RESPONSIBILITIES:**

- Effectively manage a high volume of projects in a fast-paced environment
- Monitor and track key performance indicators for each project manager
- Ensure project managers complete projects within scope, budget and schedule requirements to Clients' satisfaction.
- Proactively work with project managers to develop and execute effective responses and contingency plans to project risks and issues.
- Ensure project managers identify and secure change orders from customers
- Enforce all technical and commercial conditions of contracts are thoroughly understood by project managers
- Monitor and control project progress, job costs, financial performance, A/R, invoicing and payments.
- Promote a culture of collaboration, continuous learning and professional development within the project management team, providing mentorship and guidance.
- Promote cordial and productive communication lines between team members and colleagues from other departments.
- Work collaboratively with other department leaders to achieve desired objectives.

 <b>INFRASTRUCTURE SOLUTIONS</b>	<h1 style="text-align: center;"><b>Director of Project Management</b></h1>	<b>Version: 1.0</b> <b>Effective Date: 9- January-2026</b> <b>Issue Date: 9-Jan-2026</b>  <b>2 / 4</b>
<b>Position Type:</b> Full-Time Remote	<b>Direct Supervisor:</b> Chief Operating Officer	<b>Department:</b> Operations  <b>Location:</b> Remote/Office Hybrid
